

# Nordisk Agenda – de nordiska skattemyndigheternas samarbete

Caroline Österberg, Skatteverket

# Vår vision 2030

## Ett **grönt** Norden

Tillsammans vill vi främja en grön omställning av våra samhällen och arbeta för koldioxidneutralitet och en hållbar cirkulär och biobaserad ekonomi.

## Ett **konkurrenskraftigt** Norden

Tillsammans vill vi främja grön tillväxt i Norden baserat på kunskap, innovation, mobilitet och digital integrering.

**Norden ska bli världens mest hållbara och integrerade region**

## Ett **socialt hållbart** Norden

Tillsammans vill vi främja en inkluderande, jämställd och sammanhållen region med gemensamma värderingar och ett stärkt kulturliv och välfärd.

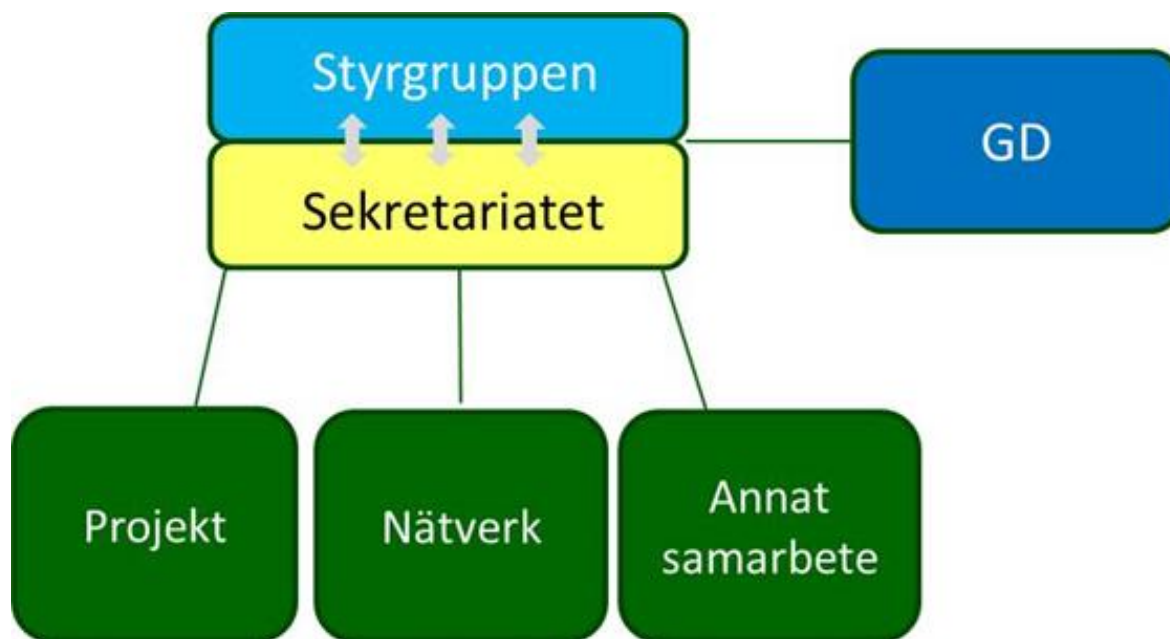

# Nordisk Agenda

## Uppdrag

- Vi ska stärka det nordiska samarbetet på skatteområdet med fokus på att stötta regelfterlevnad, effektivitet och service.
- Vi ska betona nordiskt deltagande i internationellt samarbete i syfte i att stärka den internationella dialogen och sätta ett tydligare nordiskt avtryck på den internationella agendan

# Nordisk eTax

- Viktigt samarbete för de nordiska skattemyndigheterna
- Vi satsar mycket, en unik sida
- För att få ett helt fullständigt svar i Nordisk eTax så skulle kunden i vissa situationer behöva en frågefunktion (ibland behövs inblandning av flera länder)

# Styrgruppsmöte 22-23 maj i Malmö

## **SSGM 2023 Decision 2**

The Steering Group decided that NA07 should not proceed with the question functionality.

## **SSGM 2023 Decision 3**

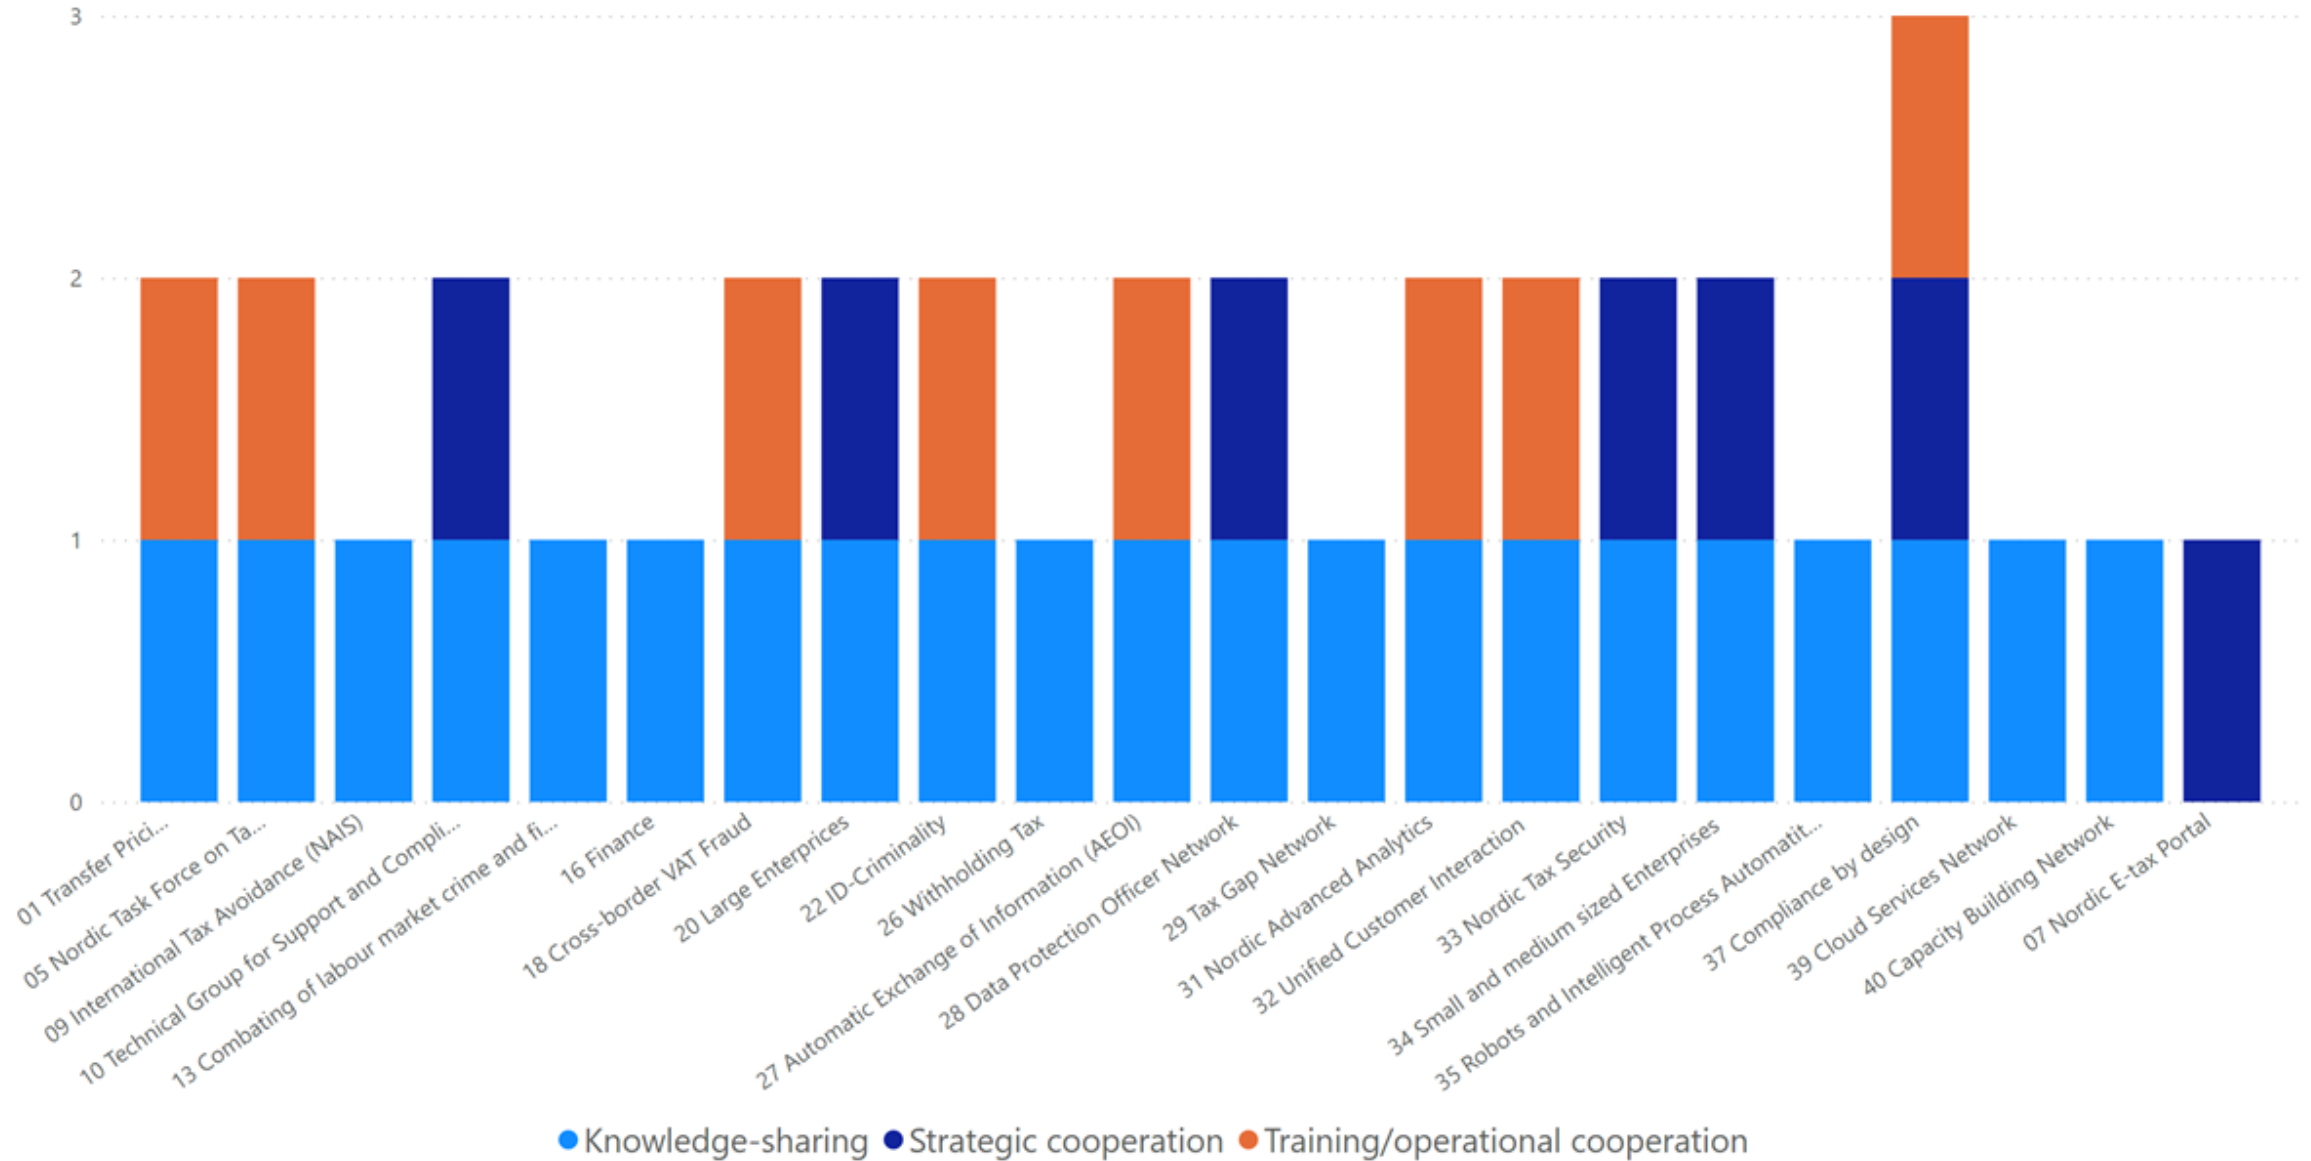

The Steering Group decided that NA07 should report the following at the Steering Group Meeting in October 2023.

- Suggestions for improvements and maintenance.
- A plan for what they want to achieve for the users, if it would be valuable to connect the Nordisk eTax with national web pages and if user statistics could be improved (NO/Marta Johanne Gjengedal is the contact person for this part).
